Experience

Stripe

Product Designer | July 2022 – Dec 2025

Joined the Connect platform account management team, where I crafted a vision and delivered an updated UI that reduced support inquiries, and boosted platform engagement. Later, I redesigned the Connect onboarding experience which led to an increase in conversion by ~60% and go lives by 14%.

Uber

Product Designer | Dec 2019 – Jun 2022

Joined the Load Logistics freight team, designed a system of profiles that automated manual processes and reduced operations cost by 18%. Later, led the design for a new line of business on the Shipper Platform team.

Michael Mazur LLC

Contract Product Designer | May 2015 – Nov 2019

Worked on feature releases and design systems as a contractor. Strong mix of consumer facing and enterprise work. Most notably I spent two years working as Away's first Product Designer designing the e-commerce side of the digital experience.

Notable clients: Away Travel, Huge, Instrument, Chartbeat, Spring, Chase, and Vanguard

Clarity Consulting

Product Designer | Sep 2013 – Apr 2015

Designed software for a variety of clients that improved their workflows and helped them manage their businesses.

Notable clients: Microsoft, Mondelez, and McDonalds.
